

COVID-19 UPDATES

May 4, 2020

City Facilities Remain Closed to the Public

All services out of City Hall remain operational; however, the office has been closed to walk-in traffic since March 20, 2020 and will continue to restrict public access until June 1, 2020 when the existing COVID-19 situation is re-evaluated.

We are currently offering services using phone, online, drop off, and e-mail methods. There will be some scheduling for services that cannot otherwise be handled through the aforementioned methods.

The City will continue to monitor and evaluate the situation and make changes as needed. Staff will continue to provide essential operational services to the community, while following certain protocols to reduce exposure.

Service Disconnections Suspended Through 6/1/2020

The City of Leoti is taking appropriate measures to promote the health and safety of our customers, employees and the general public. Due to potential hardships caused by COVID-19, the City of Leoti is suspending water shut-offs for non-payment through June 1, 2020. We encourage account holders facing hardship to please contact City Hall to make proper payment arrangements.

For more information, please visit our website www.leotikansas.org

City Hall Hours are M-F 8 a.m. – 12 p.m. & 1-5 p.m.
